The Stanislaus County Children and Families Commission welcomes you to its meetings which are regularly held on the fourth Tuesday of most month. Your interest is encouraged and appreciated.

The agenda is divided into two sections:

**CONSENT CALENDAR:** These matters include routine financial and administrative actions and are identified with an asterisk (\*). All items on the consent calendar will be voted on at the beginning of the meeting under the section titled "Consent Calendar." If you wish to have an item removed from the Consent Calendar, please make your request at the time the Commission Chairperson asks if any member of the public wishes to remove an item from consent.

**REGULAR CALENDAR:** These items will be individually discussed and include all items not on the consent calendar and all public hearings.

**ANY MEMBER OF THE AUDIENCE DESIRING TO ADDRESS THE COMMISSION ON A MATTER ON THE AGENDA:** Please raise your hand or step to the podium at the time the item is announced by the Commission Chairperson. In order that interested parties have an opportunity to speak, any person addressing the Commission will be limited to a maximum of 5 minutes unless the Chairperson of the Commission grants a longer period of time.

**PUBLIC COMMENT PERIOD:** Matters under the jurisdiction of the Commission, and not on the posted agenda, may be addressed by the general public at the beginning of the regular agenda and any off-agenda matters before the Commission for consideration. However, California law prohibits the Commission from taking action on any matter which is not on the posted agenda unless it is determined to be an emergency by the Children and Families Commission. Any member of the public wishing to address the Commission during the "Public Comment" period shall be permitted to be heard once for up to 5 minutes.

**COMMISSION AGENDAS AND MINUTES:** Commission agendas, Minutes, and copies of items to be considered by the Children and Families Commission are typically posted on the Internet on Friday afternoons preceding a Tuesday meeting at the following website: [www.stanprop10.org](http://www.stanprop10.org).

State law requires the Commission to annually hold a public hearing before adopting a budget for fiscal year operations (July 1 to June 30) and before adopting a long-range financial plan. The budget is an estimated spending plan for the funds received by the Stanislaus County Children and Families Commission.

The Commission heard a presentation on the Fiscal Year 2018-2019 Budget, Long Range Financial Plan and Related actions from David Jones.

### **Fiscal Year 2018-2019 Budget**

By law, the Stanislaus County Board of Supervisors does not have statutory authority to alter, amend, or approve the Commission's budget. The Commission's budget appears in the Stanislaus County budget as an informational item so the Auditor has a legal basis to make Commission expenditures. The filing date for submitting proposed budgets to the County was March 26, 2018. An expense budget totaling \$6,338,193 for Fiscal Year 2018-2019 was submitted to the Chief Executive Office to act as a placeholder until the Commission adopts its budget. Any budget approved by the Commission at this meeting or at subsequent meetings will be incorporated into the County's 2018-2019 budget. The County implemented a change this year, requesting two-year budgets be submitted for their budget book. The Commission submitted a budget for both Fiscal Years 2018-2019 and 2019-2020. The 2019-2020 budget is considered a status quo/placeholder budget. It is understood the 2019-2020 budget could be modified, potentially significantly, based on the outcomes of the Commission's strategic direction/planning process taking place over the next seven (7) months.

The budget the Commission is acting on as part of this agenda item is only the Fiscal Year 2018-2019 budget, and not any other budget year. This is consistent with the Commission's past practices. It is expected the Fiscal Year 2019-2020 budget will be developed as priorities and strategies of the Commission are finalized through the Strategic Direction/Planning process.

#### *Highlights:*

Some important elements and assumptions of the budget and long range financial plan include:

- Total budgeted revenues are projected at \$4,889,108, which is an estimated increase of 13.6% (\$586,239) from the 2017-2018 budget. The projected increase is due to:
  - The planned backfill by the State for revenue lost through implementation of Proposition 56. While Proposition 56 created an additional \$2 tax on a pack of cigarettes, it was projected to decrease overall tobacco consumption, thus decreasing revenue to First 5 organizations. Also, the new \$2 tax was specifically designated for services and programs apart from First 5.
- Total budgeted expenses are projected at \$6,388,193, which is an estimated decrease of 11.4% (\$818,914) from the 2017-2018 budget. For the 2018-2019 budget, a \$500,000 contingency has been established. No funds will be spent from Contingency without the approval of the Commission. Total administrative costs are projected at approximately 5% of total costs.
  - Staffing levels are projected to remain the same in the 2018-2019 budget at 5 positions (four full-time and one part-time).
- Total 2018-2019 service provider contracts are budgeted at \$5,077,914, which is a decrease of 15.6% (\$935,010) from the 2016-2017 budget. These contracts for 2018-2019 were voted on and approved by the Commission at their February 27, 2018, meeting and do not need further action.
- The Commission will have 19 contracts with service providers associated with programs for 2018-2019.
- Funding of \$12,000 is included for a contract with Brown Armstrong for audit services and \$7,000 with Matrix Outcomes Model for Family Development Matrix services and training.

- There is a projected use of approximately \$1.5 million in fund balance to balance the 2018-2019 budget. Ending fund balance for 2018-2019 is projected to be approximately \$4.6 million
- Additional assumptions for the 2018-2019 budget are included in the attached Budget Assumption worksheet.

### **Long Range Financial Plan**

The Long Range Financial Plan is submitted annually to the State. It is a very important planning document and fiscal tool for the Commission. Similar to the Fiscal Year 2019-2020 Budget, the Long Range Financial Model could be subject to change in the future as a result of priorities and strategies resulting from the Strategic Direction/Planning process.

Some important elements and assumptions of the Long Range Financial Plan for consideration include:

- The Plan is a working document and is to guide long-range planning. The Plan is subject to change upon approval of the Commission using updated projections.
- The State Department of Finance/First 5 California revenue projections for Stanislaus County have been used in the Long Range Financial Plan for the years they were available (2018-2019 through 2021-2022). Stanislaus County Children and Families Commission assumptions were used for 2022-2023.
- The Plan continues to highlight long-term projected revenue declines.
- The Plan assumes contractors will spend 97% of contract allocations in 2018-2019 through 2022-2023.
- The Plan assumes a minimum reserve of at least six months of budgeted revenue per Commission policy.
- The Plan projects that fund balance policy will be impacting the spending strategy of the Commission starting in Fiscal Year 2021-2022.
