- Parents of 2,592 children have increased parenting skills and knowledge after taking parenting classes.

All “highlights” data was reported by contractors

Highlights

Safeguarding Children's Health

- ❑ 418 children 0-5 and pregnant women who did not have access to health care received medical attention through an interim health care program.
- ❑ 363 pregnant women and children 0-5 who did not have health insurance are now enrolled in a health coverage plan.
- ❑ 210 infants were born healthy after their mothers participated in a healthy birth program.
- ❑ Of 230 pregnant mothers who participated in a healthy birth program, 207 (90%) of them initiated breastfeeding.

Highlights

Cultivating Futures Through Education

- ❑ 1,070 families increased the time spent reading with their children at home after receiving literacy services.
- ❑ 127 children participated in the Kindergarten Readiness program.
- ❑ 1,377 children 0-5 were screened for educational developmental issues and 252 were referred for further assessment or services.

Highlights

Leading Via Supportive Systems

- ❑ The families of 5,902 children have increased knowledge and utilization of community resources.
- ❑ Prop 10 funded programs brought in more than \$3M from other funding sources during fiscal year '13-'14, increasing the level of services for children and families.
- ❑ On average, Prop 10 funded programs collaborate with four or more other programs to decrease duplication and increase effectiveness of services.
