C. Executive Director's Office

 State law requires the Commission to annually hold a public hearing before adopting a budget for fiscal year operations (July 1st to June 30th) and before adopting a long-range financial plan. The budget is an estimated spending plan for the funds received by the Stanislaus County Children and Families Commission. Adoption of a budget is the first step in authorizing expenditures to contractors. However, before funds can be disbursed, a contract must be executed between the Commission and the program operator.

By law, the Stanislaus County Board of Supervisors does not have statutory authority to alter, amend, or approve the Commission's budget. The Commission's budget appears in the Stanislaus County budget as an informational item so the Auditor has a legal basis to make Commission expenditures. The filing date for submitting proposed budgets to the County was March 27, 2017. A budget totaling \$7,207,107 was submitted to the CEO's office in order to meet the County's deadline. The purpose of the budget submitted to the County was to act as a placeholder until the Commission adopts its budget. Any budget approved by the Commission at this meeting or at subsequent meetings will be incorporated into the County's 2017-2018 budget.

Some of the significant assumptions contained in the budget and long range financial plan include:

- Budgeted revenues are estimated to decrease 10% (\$477,323) between the 2016-2017 budget and the 2017-2018 budget. The decrease is estimated to be 16.8% (\$850,780) below the projected 2016-2017 year end actual revenue. The projected decrease is due to:
 - The impact of Proposition 56 which created an additional \$2 tax on a pack of cigarettes, and to the change of the legal age to purchase tobacco products from 18 to 21. It is anticipated the backfill of this significant decrease of revenue will be received from the State during the 2018-2019 budget year, as backfill is based on the prior year's actual revenue. Declines in revenue are projected to continue in the long range model.
- Budgeted expenses remain relatively flat with a slight increase of \$28,333, from \$7,178,774 in the 2016-2017 budget to \$7,207,107 in the 2017-2018 budget. This would allow the Commission to maintain current service levels.
 - For 2017-2018, a \$508,470 contingency has been established. No funds will be spent from Contingency without the approval of the Commission.
 - Staff salaries are projected to increase by 2.3% in 2017-2018.
- Total 2017-2018 contracts and programs are budgeted at \$6,036,454, which is the same as the fiscal year 2016-2017 budget.
 - The Commission will have 20 contracts with service providers. This is one fewer than the prior year as the Patterson Unified School District will continue to provide Kinder Transition services, but without a contract with the Commission. They are not seeking Commission reimbursement for their program services.
 - While not impacting the Children and Families Commission budget, it is important to note our partners at the Community Services Agency (CSA) are investing an additional \$400,000 per year over the next three-years toward Family Resource Center Differential Response services.

Family Resource Center (FRC)/Differential Response (DR) Contract Awards:

The Children and Families Commission, in partnership with CSA, issued Request for Proposal (RFP) #17-17-FQ on March 2, 2017, for the provision of services to children by

Family Resource Centers (FRCs) in seven geographic areas of Stanislaus County for a three-year period. The RFP was designed to identify contractors who will provide family support, strengthen program services at the community or neighborhood level, and promote child abuse/neglect prevention and early intervention programs through the Differential Response (DR) approach.

CSA is allocating \$900,000 annually (a total of \$2,700,000) to fund FRC/DR services for a three-year period. This is an increase from the \$500,000 annual contribution they have been making. The Children and Families Commission will contribute up to \$1,559,357 per year (a total of up to \$4,678,071) for a three-year period. The CFC contribution is consistent with previous annual contract commitments. The combined total funding for the three-year contract period is up to \$7,378,071 to provide services in seven geographic areas covering all of Stanislaus County for FRC/DR services.

Priority was given to proposals promoting, encouraging, and developing collaboration between community-based organizations in targeted areas. A review panel of three members reviewed each proposal based on the information set forth in the Request for Proposals packet.

The following table summarizes successful proposers and the amount recommended for appropriations for proposer for each of the next three fiscal years. The contracts authorized will be three party contracts between the Commission, CSA, and the contractor.

| | TOTAL | \$2,459,357 | \$1,559,357** |
|---------------------------|----------------------|-------------|---------------|
| Center for Human Services | Oakdale/Riverbank | \$ 232,503* | \$ 158,847 |

| SUBJECT: | |
| Public Hearing to Consider Adoption of | Changes to the Policies and Procedures Manual |
| BACKGROUND: | |
| monitoring, and financial policies to go | I Families Commission adopted a series of administrative, operational, vern Commission and Contractor operations. In order to make its policies and procedures were combined into one |

Staff reviews the manual on a periodic basis and recommended changes are brought to the Commission for consideration. There are two suggested changes to the manual that are being recommended. These changes are attached to this summary document and can be outlined as follows:

document and the document was approved by the Commission as a Policies and Procedures Manual. (The

current Manual can be found on the Commission website under Publications & Other Resources.)

- A change to Section 403 Submission of Billing Invoices by Contractors. This change would add section 403.6 which would formalize the Commission's practice of being able to close review of a contractor submitted invoice and authorize payment after five (5) business days of completing review and requesting additional information or documentation from a contractor. (Page 32)
- A change to Section 410 Allowable Expenditures by Contractors. This changes would formalize the Commission's practice of requiring Contractors to request and receive prior authorization for any food and beverage purchases that are not listed in the contract scope of work and budget. (Page 42)

Various Commission committees have met to review and discuss this item.

Stephanie Loomis - Administration

RECOMMENDATIONS:

- 2. Adopt the Policies and Procedure Manual changes as presented.

Section 403 - Submission of Billing Invoices by Contractors

Policy:

Billing invoices must be submitted on a timely basis throughout the year and prior to September 30^{th} of each year.

Procedure:

- **403.1** Contractors scheduled to submit billing invoices to the Commission on a monthly basis shall submit the invoices within 30 days of the end of the month being billed.
- **403.2** Contractors scheduled to submit billing invoices to the Commission on a quarterly basis shall submit the invoices within 30 days of the end of the quarter being billed.
- 403.3 Contractors shall submit all year-end invoices for any costs incurred during the period July 1st through June 30th as soon as possible following the end of the fiscal year. In the event the Contractor is unable to submit an actual invoice prior to July 15th, Contractor shall submit an accurate estimate of year-end expenses the Commission can expect to be invoiced.
- 403.4 All year-end invoices must be received no later than September 30th. Invoices for the prior fiscal year that are received after September 30th will be rejected and will not be paid. Commission approval is needed to pay year-end invoices received after September 30th.

403.6 In the event a submitted Contractor invoice is not complete and the Commission has requested additional information or documentation, including clarifying information or the provision of missing or additional documentation from the Contractor, the Commission may, upon its discretion, close a Contractor invoice and authorize payment five (5) business days after requesting such clarification or documentation from the Contractor. If additional information is provided after the five (5) day time period, the Commission will evaluate. - The items are related to an extended training session (a lunch meal as a part of an all day training session, for example)
- The items are integral to the service being provided (nutrition education or obesity prevention, for example).
- Practicality, convenience, and efficiency dictate the need for such items (meetings of extended length or meetings held at sites where access to such items is not readily available, for example).

Food and beverage purchases for regular and recurring program activities may be purchased only if listed in the contract scope of work and budget. All other food and beverage purchases must be approved by Commission staff prior to the purchase.

Should the contractor submit food claims that are determined by Commission staff to be excessive or not demonstrating good stewardship of public resources, a written notification may be delivered to the contractor specifying which future food purchases will not be reimbursed to the contracting agency from Commission funds.

- 410.7 As a general rule, food and non-alcoholic beverage items should not be supplied for the exclusive use of contractor's staff. The Commission will accept such items on contractor invoices only when it can be demonstrated the items are associated with extended training or with a meeting over a meal period that could not reasonably be scheduled for another time. Attendance sheets, agendas, and meeting minutes (if any) shall be included as documentation of the need for such expenditures.
- 410.8 Contractor travel costs shall comply with the contracting agency's reasonable travel policies, providing the Executive Director has approved such policies. Contracting agencies without an adopted travel policy shall comply with Stanislaus County's Travel Policy. Nothing herein shall exempt the contractor from providing sufficient appropriate documentation to support travel expenditures. Should the contractor's travel policy permit travel reimbursements that are determined by Commission staff to be excessive or not demonstrating good stewardship of public resources, a written notification may be delivered to the contractor specifying which future costs or types of travel costs will not be reimbursed to the contracting agency from Commission funds.
- 410.9 Under no circumstances should stipends or gift cards be supplied to contractor's staff as an incentive or reward or compensation. To incentivize program participants or volunteers, the Commission prefers that contractors provide materials or supplies that are targeted to children 0 5 (books, educational materials, infant/toddler care supplies, learning games, etc.). The use of stipends or gift cards may be used as an incentive for program participants or volunteers only if specified in the contractor's scope of work and budget.

ACTION AGENDA SUMMARY

| ACTION AGENCY SOMINANT |
|---|
| AGENDA DATE: June 27, 2017 COMMISSION AGENDA #: VI-B-3 |
| Subject: |
| Authorization of the Negotiation and Execution of a One-Year Agreement with Matrix Outcomes Model LLC |
| BACKGROUND: The Stanislaus County Children and Families Commission has determined in consultation with its partner organizations that it is appropriate and in their best interest to support the use of the Family Development Matrix (FDM) assessment by the contracted DR Family Resource Centers (DR FRCs). The FDM assessment is a strength-based model for family assessment, case planning and client outcomes management. The matrix is guided by the principles of family support and specifically designed for family assessment and family-directed empowerment plans to utilize shared outcomes measurement indicators. |
| The FDM is used by each of the Commission's funded DR Family Resource Centers as part of their ongoing programs. Matrix Outcomes Model LLC is the organization which hosts the online data center that is used by each of the participating organizations across the state of California, including the Commission's funded DR Family Resource Centers. The Agreement gives the Commission, and its DR FRC partners, access to the FDM database and allows the organizations to enter data into the on-line portal and generate reports. The FDM data is used annually by the Commission as part of its Annual Program Evaluation and DR FRCs use the system for quarterly and annual analysis of programs. |
| If approved, this would be the third successive year the Commission has executed an Agreement with Matrix Outcomes Model LLC. |
| Funding for the \$4,000 annual Agreement with Matrix Outcomes Model LLC was included in the 2017-2018 Budget which was approved by action of the Commission on May 23, 2017. No additional budget action is needed |
| This agenda item is to provide the authority for the Executive Director to negotiate and sign the annua Agreement. Approval of this item will support implementation of the Commission's Strategic Plan. |
| STAFF RECOMMENDATIONS: |
| Authorize the Executive Director to negotiate and sign a one-year agreement with Matrix Outcomes Model LLC. |
